

Welcome on cap d'Agde. We will discover together that it is the best seaside resort of the world. Do you like walking? Jogging or sleeping every day on a different beach? We have large gardens and five different spots.

Something more? We have a wonderful port. How many kinds of boats have you try yet? Paddle, jet ski, sailing boats, motor boats, diving boat, luxury boat. We have all sorts of boats that you could dream. You need an example? The bus is a boat.

Boats are fruit of our general knowledge. You see the castle on the island? It's a jail. Boats ran aground on rock around the island. Crews attacked the jail to make believe that they had been attacked by pirates. Is it true?

Come to visit the museum. May be it'll give you the answers. It's located in a nice forest adjust as a park. Many things were under the water. Their jail story ...

May be you don't like museum? You prefer to be afraid by a bull? You can see a concert in the bullring. Rest assured we have a bowls ground near museum. You want a bowls ground with sea view? We have. You want to play tennis? 38 grounds to exchange balls. Tennis, squash, badminton and beach tennis.

But maybe you're looking for an adult pleasure? When you hear Cap d'Agde you hear of ... naturiste camp. The largest in Europe. But you need to be couple ready to exchange.

Fair is always in the same place: leisure island. Funfair, night clubs. Hurry up the municipality has decided the demolition. Come now!

Imagine an American advertising translate in French with American accent.
